SUNDAY CLUB

"Train children the right way,
and when old, they will not stray".
Proverbs 22:6 NRSV

At Sunday Club we believe every child is a special creation of God. Each week we learn about the teachings of Jesus and we read the Bible in a fun, relaxed environment. We use **stories, acting, arts and craft, music and games** to demonstrate the Bible's messages and meanings.

We also share with the children moral values like **loving your neighbour**, to be **kind and fair**, and to **work for a better world**; to help them to elicit the best from themselves and **develop caring relationships** and **social responsibility**. Ultimately we want our children to become

responsible adults firmly grounded in the Christian faith and at Sunday Club we try to help their parents achieve this goal.

Parents are more than welcome to come in and join the children in the Club or stay for the morning service. If you prefer, **you can drop your children off** and **pick them up after** the end of the service. After the service there's refreshments and chat when you can meet with other parents and children if you want to.
